### 2. Data Minimisation:

We will only collect and process personal data that is necessary for the purposes for which it is being processed. We will not collect excessive or irrelevant information.

### 3. Purpose Limitation:

Personal data will be collected for specified, explicit, and legitimate purposes and not further processed in a manner that is incompatible with those purposes.

### 4. Consent:

Where required by law, we will obtain your explicit consent before processing your personal data. You have the right to withdraw your consent at any time.
